CANDIDATE FOR
WATCHUNG HILLS REGIONAL
HIGH SCHOOL
BOARD OF EDUCATION — WARREN

EDUCATION FIRST

COMMON SENSE LEADERSHIP FOR A STRONGER WATCHUNG HILLS

Warren has been home to my family since 2010. My children attended Warren schools and graduated from Watchung Hills. After years of involvement as a parent, PTO Executive Board member and substitute teacher, I am running to continue serving our community and keep education at the center of Board decisions.

My professional background includes managing projects for large companies with experience in budgets, vendors, schedules and resources. I hold an MS in Information Systems from Stevens Institute of Technology.

ACADEMIC EXCELLENCE

Keep academics at the center of decision-making, maintain high standards, and prepare students for college, careers and life beyond high school.

TRANSPARENCY & PARENTAL PARTNERSHIP

Promote open communication, provide clear information, and respect parents as essential partners in their children's education.

FISCAL RESPONSIBILITY & ACCOUNTABILITY

Make thoughtful, responsible decisions about taxpayer dollars and school resources, and prioritize spending that directly supports students and education.
